Ryan, who pitched for Norfolk, is the youngest of all youngsters. According to statements made by the players, yesterday's game was the sixth game for Norfolk he has worked in. He handled himself very much like a like to cart walker, only Walker uses his left carl Walker, only Walker uses his left hand for heaving, and Ryan his right.

Our 1911 Chalmers "30" Demonstrator Is Here. Have You Examined It?

Chalmers "30" Touring Car---\$1,500

Chalmers models for 1911 remain the same as the cars that have created world's records claims. for efficiency, endurance and speed-such as winning the 1910 GLIDDEN TOUR, the most strenuous of all endurance contests; the Indiana and Massapequa trophies and blazing the way from Denver to Mexico City. Trade papers last year gave the Chalmers the title of "Champion Cars.'

The best evidence of Chalmers merit, however, is not the trophics won in tests of all kinds, but thousands of satisfied users, the majority of whom have the means to purchase cars of any kind.

The people who buy Chalmers cars are orde those who know how to judge motor car day.

values regardless of prices and advertising

Many of the Chalmers buyers are of the class to whom money does not have to be an object. People who can pay any prices constantly show their preference for the medium priced Chalmers.

A visit to our salesroom and a thorough inspection of the new Chalmers models will show. you "Why."

As in former years, the Chalmers principle is not to make as many cars as possible, but to make them as good as possible. Chalmers cars are built on a quality, not quantity basis. Hence, we would advise you to place your order early. Arrange for a demonstration to-
